

Bach PTO General Meeting Minutes
PTO Meeting 10.18

President's Report

- Big thanks to the fun run team. Donations are still being accepted. We'd like all donation in by assembly on the 29th.
- The directory app will cost 300 a year, which is cheaper than the producing the paper one and it's fabulous.
- International families coffee and reception is coming up. Will have booths for families and there will be translators and a Bach liaison. Date is November 7th.
- Employee match donations. There is a huge list of companies and if your company is not it could be. Let's plan to do the employee match widget.
- We have a bulletin board in the hallways is ours if someone wants to take control it, it is ours. Pictures of things like the fun run. Business donors to the fun run could be on it.

Principal's Report

- Halloween parade is at 3:00. We will gather at the designated spots to take pictures. Classroom teachers will be communicating about parties.
- Thank you for all the support for the fun run.
- We have two applicants to interview for the librarian position, not a big pool. Only one has a library science degree. We are considering phasing out that requirement because of the changing nature of the role.
- Lexia is up and running. 3-5th are doing their assessments. The district has decided to fully fund Lexia so the 2500 will be returned to the PTO. Bach implementing it was a supporting point to get it district wide.
- Culture Survey: the big themes and messages from our survey is that we need for challenges our highest performing students and communication. We are going to check back with parents about how the classroom teacher is communication is going and how we better meet needs. We are exploring math workshop this year. Our next meeting will be looking at bar graphs and data.
- Billboard we are looking for someone to do a billboard to highlight staff members.
- Book Room We have eight parent volunteers who are working on our k-2 and 3-5 book room. K-2 books and 3-5 books for guided reading. They are used daily and they were down in a disorganized spaced. We now have a new, organized bookroom for teachers to access.
- Sandbox: We are looking for someone to research tarps to cover our sandbox and keep animals out.

- Fish Liisa will reach out to Jan to see if the fish are still around and how we can beautify the space.
- Question from Dara Moses regarding lead. Colette has directed teachers to use the filtered water fountains for now to refill.

Treasurer's Report

- Liisa moves to approve treasures' report.
- Chris seconded
- All in favor
